Chancellor's Papers (A1)

The Chancellor's Papers comprise a large record group and cover much of the period through the administration of Samuel Schuman. The materials are further divided into a number of discreet record series: Regents Materials, Budget, Campus Buildings, University Committees, UMM Committees, Syllabi, Enrollment, Financial Aid, Legislative Relations, All-University Senate, Student Organizations, Legal and Artifacts, and Miscellaneous and Correspondence. The latter record series proved to be unwieldy and in 2010 was reorganized into 22 record sub-series. These materials provide much of the administrative history of the campus.

Upon the establishment of UMM in 1960, Rodney Briggs, who had been hired to serve as superintendent of the West Central School of Agriculture and oversee the transition to the college program, was named Dean. Briggs served in this position until 1969 at which time John Q. Imholte was named Provost. In 1985 the title of the office was changed to Chancellor, and Imholte continued in that role until his return to the classroom in 1990. David Johnson replaced Imholte, and he, in turn, was succeeded by Samuel Schuman, originally in an interim role, in 1998. Jacqueline Johnson followed Schuman in 2006.

Budget (A1-B)

Chancellors Papers on the Budget include correspondence, memoranda, newsletters, reports, etc. on diverse matters involving the annual budget process. These materials include but are not limited to budget proposals, reviews, recommendations, activity fee reviews, guidelines/instructions, data reference reports, allocations, meeting agendas and minutes, academic evaluations and projections, retrenchment reports, newsletters, policies, hand-written notes, external communications, building requests, receipts (travel, food, activities, supplies, services, etc), tuition reports, legislative requests, salary changes and retirement options. Some materials discuss personal issues; and these papers include documents pertaining to the Rajender salary settlement, a class action lawsuit charging and proving gender discrimination. Others refer to retrenchment and reallocation decisions in the 1970s and 1980s. The bulk of the materials are from the 1980s and 1990, although a few records from the earlier period (1960s and 1970s) are also represented.

Correspondents include: John Q. Imholte, William D. Spring, Dan Noble, Stephen Granger, Bettina Blake, Wilbert H. Ahern, Rodney A. Briggs, Harold Fahl, Gordon Bopp, Charles H. Casey, Bob Rodda, Dave Johnson, Gary McGrath, Donna Peterson, Edward T. Rewolinski, James Cotter, Sam Schuman and Peh H. Ng.
