## **Vice Chancellor for Student Affairs (A2)**

The Office of the Vice-Chancellor for Student Affairs assumed its present form in 1987. In that year Gary McGrath was named Vice-Chancellor for Student Affairs, replacing Stephen Granger, who had served under the title of "Assistant Provost for Student Affairs." Granger had served UMM since 1960 and was originally listed as a counselor. But he had also in the early years served on the provost's "Administrative Committee." Herbert Croom, who had *worked as principal at the WCSA and then briefly as superintendent, was the original* "Director of Student Services" and seemed to have performed many of the functions later assigned to the Vice-Chancellor. Croom remained in that position until 1969. Granger assumed the title of Assistant Provost under Jack (John Q.) Imholte in 1969 and assumed many of the responsibilities previously exercised by Croom. McGrath, who--as noted above--replaced Granger, served until 2000 when he was replaced by Sandra K. Olson Loy.

## **General Files and Correspondence (A2-E)**

Originally, all of the materials in this relatively large record series were arranged as "Miscellaneous and Correspondence" and lacked internal coherence. In 2010-2011, this record series was broken up into specific subseries.

## **Miscellaneous (A2-E-d)**

This sub-series consists of a wide range of topics and files, ranging from MCPA (Minnesota College Personnel Association) to Vice Chancellor Meetings. It includes meeting materials (agendas and minutes), constitutions, lists of campus representatives, planning books, e-mail printouts and correspondence regarding the MCPA, the NASPA (National Association of Student Personnel Administrators), VC group.

Of special interest is the 1971 proposed, but ultimately rejected, plan to reorganize the Campus's Student Affairs offices. Also included are 1971 and 1973 reports on student housing that describe UMM housing as "only somewhat better than adequate." Materials in the "Vice Chancellors Group" files discuss budget and fiscal problems for the 1993-1994 school year. These papers also reflect discussions on the University's alcohol policy. Other topics include: semester conversion, Student Health Service and course offerings at the tribal college at Sisseton-Wahpeton.

Correspondents: Gary McGrath, Dave Johnson, Bettina Blake
