Vice Chancellor for Student Affairs (A2)

The Office of the Vice-Chancellor for Student Affairs assumed its present form in 1987. In that year Gary McGrath was named Vice-Chancellor for Student Affairs, replacing Stephen Granger, who had served under the title of "Assistant Provost for Student Affairs." Granger had served UMM since 1960 and was originally listed as a counselor. But he had also in the early years served on the provost's "Administrative Committee." Herbert Croom, who had *worked as principal at the WCSA and then briefly as superintendent, was the original* "Director of Student Services" and seemed to have performed many of the functions later assigned to the Vice-Chancellor. Croom remained in that position until 1969. Granger assumed the title of Assistant Provost under Jack (John Q.) Imholte in 1969 and assumed many of the responsibilities previously exercised by Croom. McGrath, who--as noted above--replaced Granger, served until 2000 when he was replaced by Sandra K. Olson Loy.

Institutional Research (A2-D)

The record series, Vice-Chancellor for Student Affairs, Institutional Research, contains a wide range of materials having to do with the state and status of the institution. These include the demographic profile of students, as well as statistics on attitudes, values and behaviors. Materials include: brochures, class schedules, correspondence, memoranda, questionnaires and reports. Of special interest: the ACE/CIRP Freshman Survey file from 1988, the M.A. thesis authored by Corliss D. Munson and entitled "A description of the Changing Profile of the University of Minnesota, Morris, 1960-1965"; the two reports entitled "College Choice and Family Educational Patterns Among Entering Freshmen at the University of Minnesota, Morris," one for 1991 and one for 1993; and the assorted various UMM Studies & Graphs compiled by Steven Granger, 1960-65.

Correspondents include: Bettina Blake, Steve Granger, John Q. Imholte, Gary McGrath and Ruth Thielke. Some of the material is system wide
