Vamos Juntos

CG motioned to classify as an A. EH seconded.

Hearings began at 7:00 pm (on the dot!).

Ground Quidditch

Andrew Geltman retracted his request. The committee voted to fund at \$0.

Women's Rugby

Katherine Schemel. They cut their transportation costs from the request. The club reduced their hotel costs from their original request. They also had members of the team pay for the transportation costs to go to two tournaments, and they would like to have the girls reimbursed. DS mentioned that if the committee does not include their deficit in the calculation of the total request, the group is requesting \$2654.90, based on the 90% transportation funding based on their classification. The group would have to still keep up the fundraising as they went. CG motioned to fund at \$2655. WL seconded.

Outdoor Club

Aaron Zeug and Sonny Komaniecki. The group would like to plan a day trip to Glacial Lakes State Park from 10am to 2pm. The group filled out the form wrong, and they are actually requesting \$150, not \$14. The committee says that they tend not to give groups money to just sit on, and suggests that they come back next hearing for funding if they need it. CG motioned to fund at \$14. EH seconded.

Taekwondo Club

Abby Kalina, they would like funding because the registration costs are a little steep (\$45/person) and would like to have some people come as well. They were unable to attain vehicles from Morris, so they would like to be compensated for the gas costs, which will be lower than if they had University vehicles. The spectators will be riding with the club. Last year the club received funding for registration. The group has not done fundraising yet this year. The emergency funds are for if any of their equipment breaks. CG mentions that there is a precedent that the committee doesn't fund money to sit on. The money was from a fee they collect from club members each semester. JZ suggests that the emergency fee be cut in half. JZ motioned funding at \$285, EH seconded. The committee discussed the possibility of reducing emergency funding. Vote on funding 5 in favor, 4 opposed.

Bad Movie Club

Joe Holden. Jack Frost cost changed to \$16 instead of \$61. The club has a small collection of films on campus, and they would like to have a greater variety of bad movies to share with the club and campus. JZ motioned to fund at \$149. CG seconded.

Ultimate Frisbee

Nick Bergantine. The club went to a tournament in Mankato the previous weekend. Their costs were gas, tournament, and hotel. They asked that each participant paid \$15. They used their own vehicles because the University vehicles were too expensive. JZ motioned to fund at \$376, CG seconded.

Anime Club

Maia Anderson. The club is requesting funds for animes to watch, as they don't have any. They estimate that this will last at least until February. LB motioned to fund at \$355. WL seconded.

UMM Lacrosse

LB motioned to table the request. CG seconded.

AFRC new member training will be on 11/15/12 from 7-9pm.

Vamos Juntos

Erica Mumm, Sarah Singsank, and Ashley Thorpe. The group wants to have a dance! they would like to edit food, which makes the total request to \$329.23.

CG motioned to fund at \$360, JZ seconded.
