Chancellor's Papers (A1)

The Chancellor's Papers comprise a large record group and cover much of the period through the administration of Samuel Schuman. The materials are further divided into a number of discreet record series: Regents Materials, Budget, Campus Buildings, University Committees, UMM Committees, Syllabi, Enrollment, Financial Aid, Legislative Relations, All-University Senate, Student Organizations, Legal and Artifacts, and Miscellaneous and Correspondence. The latter record series proved to be unwieldy and in 2010 was reorganized into 22 record sub-series. These materials provide much of the administrative history of the campus.

Upon the establishment of UMM in 1960, Rodney Briggs, who had been hired to serve as superintendent of the West Central School of Agriculture and oversee the transition to the college program, was named Dean. Briggs served in this position until 1969 at which time John Q. Imholte was named Provost. In 1985 the title of the office was changed to Chancellor, and Imholte continued in that role until his return to the classroom in 1990. David Johnson replaced Imholte, and he, in turn, was succeeded by Samuel Schuman, originally in an interim role, in 1998. Jacqueline Johnson followed Schuman in 2006.

University of Minnesota Committees (A1-D)

The record series, Chancellor's Papers on Committees, University of Minnesota, consists of materials from All-University Senate Committees. These include agendas, correspondence, memoranda, minutes, newsletters, reports, project forms, flow charts, etc. and speak to diverse matters involving all-university committees pertinent to UMM. Materials include but are not limited to academic standing policies, external relations, changes in transcripts, grading procedures, capital improvements, mission statements, revenue/funding reports, fund-raising, intercollegiate athletics reports, international programs, libraries, faculty leave, student data, and religious affairs. Some materials discuss personnel issues, and abstracts of cases heard by the Senate Judicial Committee are contained within these files. Material is from the 1960s through the 1990s. Of special interest are materials from the Morris Advisory Committee, a university-wide group that helped plan the establishment of the Morris campus and worked closely with the West Central Educational Development Association, the UMM-related materials from the Capital Improvement Advisory Committee, the file on Constitutional Autonomy (documents the attempt by the State Legislature in 1977 to remove the University's constitutional autonomy), and rosters of faculty serving on senate committees.

Principal correspondents include: Rodney Briggs, John Q. Imholte, David C. Johnson, James Cotter and Wilbert Ahern.
