Chancellor's Papers (A1)

The Chancellor's Papers comprise a large record group and cover much of the period through the administration of Samuel Schuman. The materials are further divided into a number of discreet record series: Regents Materials, Budget, Campus Buildings, University Committees, UMM Committees, Syllabi, Enrollment, Financial Aid, Legislative Relations, All-University Senate, Student Organizations, Legal and Artifacts, and Miscellaneous and Correspondence. The latter record series proved to be unwieldy and in 2010 was reorganized into 22 record sub-series. These materials provide much of the administrative history of the campus.

Upon the establishment of UMM in 1960, Rodney Briggs, who had been hired to serve as superintendent of the West Central School of Agriculture and oversee the transition to the college program, was named Dean. Briggs served in this position until 1969 at which time John Q. Imholte was named Provost. In 1985 the title of the office was changed to Chancellor, and Imholte continued in that role until his return to the classroom in 1990. David Johnson replaced Imholte, and he, in turn, was succeeded by Samuel Schuman, originally in an interim role, in 1998. Jacqueline Johnson followed Schuman in 2006.

UMM Enrollment (A1-G)

Chancellor's papers pertaining to Admissions, Enrollment, Registration, and Retention. Represented in these files are correspondence with new and returning students, application materials, papers relating to the reorganization of the Admissions Office, and enrollment decline. Included are press releases, newspaper articles and letters in response to articles from various alumni and meeting minutes from the Minnesota Higher Education Committee. Reports on enrollment rates, registration, surveys, recruitment, and fees can be found. Most materials range from 1960 to 1994. Of special interest are materials labeled "Admissions and Records, 1961-62," which document student recruitment efforts for that period, including promotional materials, "Comparative Enrollment," for various years; data contained in the "Freshman Distributions for Fall [various years] for Colleges within the University of Minnesota;" the file on "Recruitment" for 1978-79; "Registration/Orientation" materials for various years; a small file labeled, "Social Science Division, 1968-69," which lays out a radical proposal for student participation in division governance. Many of the files contain University-wide data.

Some personnel matters are discussed.

Primary correspondents include: Jack Imholte, Rodney A. Briggs, Robert Vikander, James B. Preus, Gary McGrath, David Johnson, and Bettina Blake, Stephen Granger and David Johnson.
