# Housing & School Enrollment

The data presented below includes statistics related to school enrollment and housing in the Region, including median home values, median rent, median monthly housing costs and vacancy rates for communities in the UMRDC Region as well as the state of Minnesota.

## 2010 Housing Statistics

City	Median Home Value	Median Rent	Median Monthly Housing Costs
<b>Murdock</b>	<b>\$77,500</b>	<b>\$642</b>	<b>\$840</b>
Beardsley	\$47,700	\$283	\$914
Clontarf	\$81,900	\$310	\$582
Echo	\$35,000	\$460	\$831
Hanley Falls	\$63,800	\$246	\$892
Milan	\$55,000	\$398	\$797
Swift County	\$97,600	\$453	\$1,024
Minnesota	\$206,200	\$759	\$1,549

Source: US Census Bureau, ACS (2006-2010)

At \$77,500 the median home value in Murdock is below both Swift County and the state of Minnesota, however it is higher than that of many similar sized communities in the Region. Median monthly housing costs for homeowners, while lower in Murdock than the county and state, falls in the middle compared to other similar sized communities. The median monthly rent in Murdock is the highest among other communities and is also significantly higher than the median rent in Swift County.

## 2010 Vacancy Rates

Source: US Census Bureau, Decennial

Home ownership vacancy rate and rental vacancy rate are the proportion of the homeowner or rental inventory that is vacant "for sale" or vacant "for rent." The overall vacancy rate includes other vacancies such as vacant "sold - not occupied," seasonal housing and vacant "rented - not occupied." In 2010, the city of Murdock had typical vacancy rates compared to communities of similar size.

## School Enrollment Since 1999

School District	1999-2000	2005-2006	2010-2011	% Change
Benson School District	1,216	1,050	970	-20.23%

Yellow Medicine East School District	1,299	1,081	862	-33.64%

Source: Minnesota Department of Education

Murdock is part of the KMS School District, which has seen a decrease in enrollment over the past decade, however it has had the second slowest rate of decline of all school districts in the Region. Note that data was only available for public school districts.

UMVRDC staff developed the concept and design for the Community Profile Brochures and data was collected by students and staff from the Center for Small Towns at the University of Minnesota, Morris. All information was collected from trusted sources such as the U.S. Census Bureau, the American Community Survey, Minnesota Department of Employment & Economic Development (DEED), and the Minnesota Department of Education and is presumed to be accurate.

Helping Communities Prosper

# 2010 Census Data for Murdock, Minnesota

This Community Profile Brochure is comprised of statistical information from a variety of sources and will provide a snapshot of historical and current demographic, economic and social trends in the Upper Minnesota Valley Region. Having clear and concise community statistics will provide for more informed decision making about community development and business expansion, relocation and future investments.

This statistical and informational profile was compiled by the UMRDC in collaboration with The Center for Small Towns at the University of Minnesota, Morris for all five counties (Big Stone, Chippewa, Lac qui Parle, Swift and Yellow Medicine) and 37 cities in our Upper Minnesota Valley region.

UMVRDC Region	45,510	45,300	45,000	44,500	44,110	-3.08%

Source: US Census Bureau

## Murdock Population Distribution, 2010

Source: U.S. Census Bureau, 2010 Decennial Census

The population distribution above shows that there is a high percentage of the population in the middle and younger age cohorts. Murdock has a more diverse population than other communities of similar size, with 8% of the population being non-white.

Murdock has seen an overall decrease in population of over 27 percent from 1960-2010. The decrease has been steady despite a slight increase from 1990 to 2000. The population is projected to continue to decrease over the next few decades, however at a slower rate than it has in the past.

## Unemployment Rates, 2000-2011

Source: Minnesota Department of Employment and Economic Development, LAUS

The employment categories shown in the table above and chart below show the 11 Super Sectors of Industry, which is the federal standard in data pertaining to business and industry. Much of the economic activity in Murdock is in the Trade, Transportation, and Utilities sector. The pie chart below details that in Swift County, about half of all employment comes from Education and Health Services, and Trade, Transportation, and Utilities. Swift County had a slight increase in unemployment during the Recession of 2007-2009, but in 2011 had an unemployment rate under 7.5%.
