FALL SPOTLIGHT

Student Assistance Grant for Emergencies (SAGE)

The University has emergency funding available to assist and support students who encounter an unforeseen financial emergency or catastrophic event. These grants enable a student to remain in school, rather than being forced to take a leave of absence or drop out. Priority will be given to students whose persistence at the University may be at risk because of these unexpected expenses.

Emergency funds can be used for groceries/food, housing/rent, medical, transportation, technology, or other expenses that may be experienced during a financial crisis.

PLANNING FOR FALL

- **Health insurance:** Degree-seeking students registered for 6+ credits must have health insurance. Students can enroll in the University-sponsored Student Health Benefit Plan for \$1,398/sem. or waive the University's coverage in MyU by September 30th.
- **Billing/payment information:** Payment is due in full Sep. 10th unless the student enrolls in the payment plan for a \$20 fee. Balances must be paid before a student can register for the next term.
- **Financial aid:** Be sure to check your financial aid checklist in the My Finances tab to ensure you've submitted all necessary information.
- **Parent/Guest Access:** Students may grant access to parents/guests to view select information or make a payment on the student's account. For instructions on how to grant access, visit z.umn.edu/ummpgaccess.
- **Loans:** First time taking out a federal loan? You will need to complete Entrance Counseling and a Master Promissory Note at studentaid.gov before your loans can disburse. For more information about federal and private loans, visit z.umn.edu/ummloans.
