Past Minutes review and approval

Discussion:

Invited speaker from Twin City agreed to present. Tammy Berberi is willing to help out sharing her experience. The Twin cities folks have done many presentations on Universal Design so they can easily adapt to our campus needs.

Siobhan and Michelle liked the slide sets presented and would like material that is hands on and useful to our campus. The sessions on creating syllabus, student interaction, and course management were of stronger interest.

Adele got TMC scheduled for lunch

Adele reported that the wall is easily moveable and she will make sure that person is around that day.

Aug 19 is the scheduled event day

Adele will create name tags for participants

Adele has secured 5 white boards and will see if she can find a few more.

We will also need markers (3 per board)

Two morning sessions offered?

How many people will participate each session?
