3. Voting on and approval of last meeting's (9/22/2020) minutes

4. Special guest: Sam Rosemark, president of MCSA

- A. updating bias reporting: national trends indicate bias reporting as extension of sexual assault reporting processes. Vice Chancellor for Student Affairs Sandy Olson-Loy has created a centralized form that can be found on UM-Morris' Public Safety webpage:
<https://morris.umn.edu/morris-public-safety/programs-and-services/biased-crime-or-hate-crime>

Go to:

https://cm.maxient.com/reportingform.php?UnivofMNMorris&layout_id=10

We need to now work on raising awareness regarding this centralized form.

B. Update on student survey on COVID-19 and policing:

MCSA is working on data analysis of this survey with stats faculty, with a particular focus on breaking down the responses by demographics, especially BIPOC (Black, Indigenous, and people of color) students. Vice Chancellor Sandy Olson-Loy; Student Activities Director Dave Israel-Swenson; Director of Public Safety Lt. Rob Velde; and Director of ORL TJ Ross are meeting with student organizations and BIPOC students to address the components of the survey regarding policing. Important changes have already been made as a result of these discussions.

5. Review of poster policy from Student Affairs Committee
