and the 90th anniversary of the West Central
School of Agriculture and Experiment Station

STUDENT-STAFF DIRECTORY
2000-2001
University of Minnesota, Morris 56267

The campus directory consists of listings of students, full- and part-time academic personnel, full- and part-time Civil Service and Bargaining Unit employees, and employees of the West Central Experiment Station and USDA-ARS. Certain omissions are made where requested.

Each listing for faculty and staff reads in this order: name, position, discipline or office, campus office address and phone, residential address and phone (compiled by University Relations).

Student listings read: year of graduation, student's name, campus p.o., address, phone number, and parent's address (compiled by the Registrar's Office).

UMM's main telephone line is 589-2211 (TDD). Off-campus callers can dial direct to all campus extensions by first dialing 589, then the extension. On-campus offices and Residence Halls dial the four-digit extensions directly.
