Policy for Student Leadership Eligibility for discussion at campus assembly tomorrow – includes modifications from earlier in the year.

Decision was made to remove Kean University from list of institutions
Minor revisions to wording were suggested and approved.

Reviewed Dave's case studies/examples to provide context for the Student Leadership Eligibility Policy when speaking to Campus Assembly and the forums.

Student examples – although the names have been changed there was concern that some students/ student leaders would know who these examples were actually referencing. Decision was made to remove examples.

Sandy suggested adding the appeal process. Revisions were made to the appeal process language.

Reviewed language and consistency of the document. Committee felt student concerns were addressed. This continues to be an evolving document. As we get additional feedback from Campus Assembly and the forums we will revise and bring back for final consideration.
