Resources and Operations

- Tech Fee
 - Still waiting for tech fee applications

- Anyone can apply as long as it affects/benefits student body or campus
- What is Tech Fee? A pool of money that comes from every student's tech fee they pay as part of tuition. The money goes towards innovative technology that benefits UMM students and body as a whole. MCSA has the power to choose where the money is allocated. If it is not spent it is transferred over to next year.
- Examples: 3D printer in the library, irrigation system for OGC, charging tables/stations, computer lab updates
- Talk to Salvi or any other Resources and Ops members if you or your org has any questions about Tech Fee
- Planning Sustainability forum and potential sustainability art project

- Planning to implement a suggestion box for MCSA
- Still want to continue sending out surveys to student body
 - Email Ruby or any other Student Services member if your club has anything it wants to ask campus.
- Will be consolidating suggestions from tabling last semester to see if there's anything SSC can do right away.
