To: UMM Student Organization Leaders

From: Sara Haugen, Office of Student Activities

It is that time of year again (for most of you, at least) - i.e. student organization election time! To ensure continuity in support services and contact between Student Activities and your group, please complete and return this form to the Office of Student Activities, UMM Student Center. Officer and advisor information is used to update the Student Leadership mailing list and as data for the student organization section of the UMM Student/Staff Directory printed every Fall quarter. (We will do a final check for any changes that might take place immediately prior to the October/November print deadline.) We would like as much information as you have by June 1, 1993. Additional information may be added as it becomes available. Thanks!
