Other committee standing business regarding 2020-21 Campus Assembly Committee Memberships:

- A. Jimmy Schryver & Clement Loo were selected as co-chairs of Consultative Committee.
- B. MCSA roster changes and appointments: MCSA will hold elections on Monday, September 14. Sam Rosemark, MCSA Student Body President, is confident that most of the positions will be filled.
- C. USA roster changes and appointments: Jeff reported that the nominating committee has put out a call for volunteers. He will follow up with USA this week and then elections will follow.
- D. Equity and Diversity Advocate: Barry will talk to Jennifer Rothchild, Chair of Equity and Diversity Committee about making sure Membership knows who has completed the training so we can incorporate that information into our committee placements in the spring.
- E. Thoughts on who will Chair Scholastic Committee next year: Merc Chasman would like the new chair for 2021-22 to participate in some of the background scenes during this academic year for a smoother transition. Barry asked if Membership should consider prepping someone to be a future chair and agreed that Barry should contact one of the current members. Matt added this is an opportunity to look at some of the committees that have a steep or high learning curve and prioritize those given there are fewer committees.

Barry will add names to the working committee roster and will notify committee chairs as appointments are made.
