Accomplishments

The **University of Minnesota, Morris** has been named a [2015–16 Public College of Distinction](#). The campus is one of only 41 institutions—and the only Minnesota school—included on this list. *Colleges of Distinction* is a web-based college guide for high-school juniors and seniors seeking an institution that takes a holistic approach to admissions decisions, excels in providing undergraduate education, and has a truly national reputation.

In the News

Paul Myers, associate professor of biology, is quoted in a [story by Slate](#). Myers comments on a recent study that examines gender bias in STEM education.
