A. Proposed Poster Policy review

Committee members reported on feedback received from EDI, Consultative committee, and the COWGE. Additional language was included on poster sizes allowed on all boards and the date stamp process for posters. This is not an approval/endorsement of content, just a check that the group name is printed and date stamped as to when to take the posters down. Language was also included that this policy refers only to public bulletin boards (not private doors/office bulletin boards). The locations of boards in this draft policy will continue to be discussed with Division Chairs.

Sandy Olson Loy will submit the draft to General Counsel for comment before presenting at Campus Assembly.

B. Student Organization approval and classification process

Committee members will continue to review peer and aspirational universities policies and report back at the next meeting for further discussion.

C. MCSA survey data results - Sydney Loechler and Dylan Young presented some of the highlights from the MCSA survey administered to students between 9/3/20-9/17/20 regarding COVID and Policies. Approximately 20% of enrolled students responded to the survey. Committee members recommended that another survey be conducted to see if the results change based on new action taken this semester. Recommended some questions regarding the class modalities to assist faculty with spring planning.

Meeting was adjourned at 12:44pm.
