In these minutes: Review of draft policy on Creation and Classification of Student Organizations

Due to not having a quorum at this meeting the previous minutes were not yet approved and no action was taken on any items.

Viktor Berberi reported that the draft procedure on distribution of information has been sent to the Steering Committee for first reading at the Campus Assembly on 2/2/21.

The committee began to review the draft policy of “Creation and Classification of Student Organizations.” The original policy was created in 2009. David Israels -Swenson has begun to have conversations with other system campuses on their student organization classifications. Morris is the only campus in the system that has the classification of University Recognized Organizations.

David Israel- Swenson gave a short description of the Student Center sub-committee proposal which was an existing committee that has not met for several years. There is a need for this committee to be restarted. This committee would report to the Student Affairs committee.

Viktor will ask the Membership committee to replace Sydney Loechler, student representative, who graduated in December.
