In these minutes: Additional feedback on draft procedure and policy on distribution of information

Joint meeting was called to order at 11:43am with the Equity and Diversity Committee.

Members from the Equity and Diversity Committee provided support and feedback on the draft procedure and policy on distribution of information as presented to the Campus Assembly. Discussion included upholding freedom of speech and becoming aware of the impact of speech on all communities. Reviewed timeline of when draft began and has been open for feedback and current timeline for approval. After all questions were answered with the EDC the SAC returned to individual group meetings to continue the agenda.

Committee members presented feedback received from library staff and reviewed feedback provided on the Google Form sent out to campus. Some areas were clarified and a red line document was created to be used in Campus Assembly presentation so the audience can see what items were updated/changed from the original policy. The bulletin board symbols will be updated to reflect visual accommodations.

A sub committee consisting of Bryan Nell, Carrie Jepma and student member was created to review and select a nomination for the Edson Award.
