Campus document

Meeting was called to order at 11:40am and the minutes from 9/7/21 were reviewed. Bryan Nell made a motion to approve the minutes, Henry Hubred seconded the motion and all members approved.

Viktor Berberi reviewed the Creation and Classification of Student Organizations on the Morris Campus document and provided opportunities for members to ask questions and review. The committee agreed to send the document to MCSA for review before sending it to Campus Assembly for approval.

Viktor presented the Strategic Visioning and Planning website

and discussed how this committee may align agenda ideas with the SVP. Committee will also look to Acting Chancellor Erickson and Vice Chancellor Sandy Olson Loy for additional feedback.

David Israels-Swenson shared that there are approximately 40 student organizations that may be deactivated in the next few weeks due to inactivity, failure to respond to Student Activities correspondence, and failure to provide necessary information to remain a student organization.

David Israels-Swenson responded that many of these organizations may have faltered during COVID when in person activities were unable to occur. Any groups that are deactivated can be easily reactivated if students are interested in continuing the group. Also mentioned was that any funds remaining with an organization after 3 years of inactivity will be returned and redistributed.

Meeting was adjourned at 12:09pm

All meetings will be on Zoom during the Community Hour on Tuesdays at 11:40 a.m. to 12:40 p.m.
