Introduction and Announcements

- GenEd assessment for Spring 2019 - HUM, ECR, SCI-L
- [Readings](#) for developing a new academic program review
 - Series of meetings, with the minutes from the meetings turned into the “report”
 - Need to clarify the difference between effective curriculum and need for resources
 - Need to clarify assessment vs. program review
 - Assessment is not tied to larger resources (tenure lines), but could be useful for smaller pots of money that will help you with areas for improvement or further support your excellence
 - Focus on continuous improvement. If you’re already “perfect” and won’t focus on improvement, that’s a problem
 - Focus on how we are distinctive (buck trends) and what we can control vs. can’t
- Update on RFP for new assessment software
