## **Revised GWSS PSLOs:**

- (1) Students will be introduced to the study of gender and sexuality across a diverse range of contexts.
- (2) Students will be able to apply a broad range of interdisciplinary theories and perspectives to current events.
- (3) Through diverse methodologies and critical paradigms, students will comprehend the impact of gender and sexuality in their own lives and in the world around them.
- (4) Students will learn to think critically and reflexively about gender and sexuality through analysis of their own experiences as well as through a variety of primary and secondary source materials.
- (5) Students will learn to communicate their ideas effectively in writing and through oral presentations on topics related to gender and sexuality.
