- Sept 10 2019 (Motion to approve Julia Scovil, Josh Westified second) Approved
- Sept 24 2019 (Motion to approve Julia Scovil, Josh Westified second) Approved
- Oct 8 2019 Had a question about the subcommittee and made an edit to the minutes. (Motion to approve Julia Scovil, Josh Westified second) Approved
- Equity and Diversity Advocate update
 - The pilot program had at least one faculty or staff person on each committee to be a representative for Equity and Diversity. Advocates received a 2-hour training, which focused on outreach with other groups to facilitate better communication between the committees.
- Posters display and other campus policy changes
 - What other committees are meeting about this topic?
 - i. Josh- Student Affairs is already meeting about it.
 - ii. MSCA - Student Actives bought a proposal about funding political groups. This would put us in line with Duluth and Twin Cities campuses\

- iii. Will Consultative have a role in future guidelines?
 - iv. Has been talking about communication between student and student climate.
 - v. Curriculum Committee is talking about Gen Ed reform.
- Academic Email listserv for students
 - Review request (Jess Larson, [Campus Assembly](#) minutes, see: "New Business--Proposal: Academic Listserv")
 - What work has been put into this?
 - Would we want to stand up during committee updates during Campus Assembly?
 - Academic list:
 - i. Questions that arose: How will it work? Who would do it? What if something is cross-platform? What will we do about too many emails? What will happen to UMM Official?
 - ii. What is missing without the all-university for students email listserv?
 - 1. Where do you go when you need to reach out to the whole campus?
 - 2. Would it work better if there were a limit on the number of times you can send out emails?
 - 3. Is UMM using snapchat for events?
 - a. Students have told us how to reach out to them and they are telling us how they receive info.
 - b. Talking about student rep using snapchats to post about discipline events.
 - There are Discipline lists:
 - i. Are they reliable?
 - ii. Who updates them?
 - Did we want to endorse or develop something new?
 - i. Want to look at and reform the UMM Official list?
 - ii. With new guidelines it would become a more Academic Official email list.
 - iii. What is the timeframe of sending out what classes are open or study abroad opportunities are available? (Who is sent the emails and how often?)
 - iv. Who should monitor the UMM Official list? Student Activities? Or should it be someone in the Registration Office or Dean's Office?
 - v. What about what comes from the Chancellor or University President? (e.g., deadlines for registration).
 - vi. Lack of interest by students in UMM Official - nobody opens those emails
 - vii. Should we keep UMM Official and have a different email listserv or channel for events?
 - We will make a statement endorsing what Jess Larson proposed.
 - Moved to bring this to a future Campus Assembly: (Motion to approve Julia Scovil, Josh Westified second) Approved

- Called to a vote to endorse what Jess Larson brought to Campus Assembly:
Approved
- Subcommittee on meeting with Steering
- Future agenda items
