This Report is brought to you for free and open access by the Assessment of Student Learning Committee (Inactive) at University of Minnesota Morris Digital Well. It has been accepted for inclusion in Assessment of Student Learning Reports by an authorized administrator of University of Minnesota Morris Digital Well. For more information, please contact skulann@morris.umn.edu.

HMSV PSLOs Version 4:

1. Students will be able to explain the history and structure of human services systems and how it affects the ability to provide services to diverse communities.
2. Students will effectively utilize appropriate databases to research social policy, prevention programs, and other information related to human services.
3. Students will apply basic skills used to intervene with individuals, families, groups and organizations.
4. Students will apply human services ethics and values.
5. Students will be able to articulate the relationship between the field of human services and human development, family functioning, community dynamics, and political systems.
