LAAS Program Student Learning Outcomes (PSLOs):

1. Students will be able to think critically and communicate effectively, through informed understandings of Latin America, on issues of historical, social, economic, and political processes affecting the region.
2. Students will be able to locate relevant research resources and apply them in conducting research on Latin America.
3. Students will be able to competently compare and contrast the different countries and regions of Latin America from the perspectives of its diverse human populations and societies.
4. Students will be able to apply an inter-disciplinary perspective to gain a deeper understanding of Latin America.
