Morris Campus Student Association
University of Minnesota - Morris
Morris, Minnesota 56267

Rosemark- We have been trying to get a logo for a couple years. Me, Westfield, and Loechler have talked about starting a contest for the logo. Guidelines are linked above. We want it to be something for everyone & there will be a \$150 prize for the designer of the logo. The goal to have it done by new student orientation. It would be a way to increase professionalism and make MCSA more well known to the student body. Online approval voting would take place over the summer, we would make sure the logo is emailed beforehand, and voting would take place on a google form sent through email.

Discussion:

Scovil- We should talk to studio art professors to target their studio art students.

Rosemark- Yeah we were planning to get a list of CMR, CSci, and Studio Art Majors to target to help create logos for the contest.

Ayers-Morgan- (in reference to the logo draft) Put wind turbine on one side, not in the middle.

Rosemark- If any of you would like to create a logo feel free, the contest is open to all. It would be great to get as many logos as possible to consider.

David motions for approval.

But if you don't want to vote for me, I understand because I have heard great things about you (Sarkaria).

Sarkaria: I am a newcomer, I was in MCSA freshman year, I believe in truth and honesty and numbers, and I will count those numbers very honestly and I believe in clean squares, I can cut those papers real nice.
