## **Management Updated PSLOs:**

The curriculum is designed to ensure that students will be able to:

1. Describe and identify the economic context for business and organizational decision making.
2. Apply, compare, and contrast different methods and approaches for managing financial, human, and material resources.
3. Explain the nature and functioning of the financial system.
4. Describe the nature of the global business environment.
5. Communicate business, accounting, and managerial knowledge both orally and written.
