"The purpose of the corporation shall be: The advancement of pure and applied science through the fostering of research, education, and understanding; to provide an organization of persons engaged or interested in science, especially in the state

of Minnesota; to hold meetings for the presentation and discussion of scientific matters; to publish scientific papers; to encourage research and education in science for public good; and to engage in such related activities as may be deemed proper."

Published three times a year by the Minnesota Academy of Science, 3100 38th Avenue South, Minneapolis, Minnesota, 55406.

Annual membership in the Academy is \$5.00; collegiate membership, \$1.00. Individual copies of the Journal are \$2.50 each.
