     Minutes Accepted

II. President’s Remarks
   Two resolutions sent out. Noelle has been taking care of presidential duties for the last week due to personal conflicts. Funded aty 12,100 dollars which is 250 lower than our request. Largest issue is the stipend increases, which shouldn’t exceed 8,500 dollars. Our proposal met this mark exactly. Our budget was ok except for the stipends. Money will be cut from stipends first. How it will be cut is the main factor now. Whether from the Vice/Presidents only, or from everyone’s by about $8. People who are graduating should not be a part of this decision. Next MCSA Administration will decide what to do with that money. This year was asking for 2,000 more but we managed to get actual funding for the food odyssey. Got a secretary hired. Unfortunately compensation is linked to student fees.

III. Vote to Approve Prairie Gala Funding
   - A. Options include MCSA Emergency Fund or SAGE grant
1. Annual fundraiser and we have to decide where to put the money. Either the MCSA or SAGE grant. MCSA can be applied for through student activities up to $200. The SAGE grant is another emergency fund for people who need money and can receive up to $1,000. MCSA fund has not been used in recent time and was relatively unknown before now.

2. Dylan moved to put funding for the MCSA Emergency Fund

3. Because the SAGE grant has a 1,000 cap and this allows people to get money from the SAGE grant and the MCSA fund.

4. The SAGE grant is the most funded and has been gaining popularity/support. The MCSA fund is unknown to others and would need to be advertised so students know about the fund. Possible solution is a pamphlet with a QR Code to make access easy and known.

5. MCSA and SAGE Grant fulfill very similar roles.

6. Motion Passed

**IV. Vote to Approve Meditation Spaces Resolution ([link](#))**

A. Description: This resolution asks to create meditation spaces in more dorms than just Indy and updating them to have more cultural items

1. Want to create a list of educated people about various cultures to allow students to ask questions if they want to. The current meditation space is very bare with only a desk and a mat on the floor. Hopes to get more attention to them for use. Look to update the smudging policy to expand it for more circumstances. Looking to add more firekeepers to prevent accidents and to minimize risk without disrespecting anyone.

2. Space should be an unoccupied dorm room to allow for more space instead of the small space in Indy. Apartments are added in the resolution but logistics still need to be worked out.
3. Dylan Motions to approve  
4. Muthu Seconds  
5. Motion Passed
