B. Motion to approve minutes: Dylan
C. Motion seconded: Muthu
D. Motion passed

II. **President's Remarks**

Tech fee is coming up this Saturday. Tech fee is normally a 2 day process where the first day is listening to proposals and the second day is going through proposals deciding what to help fund and what to cut. This year there is a better process that makes the process easier and take less time. Other things that have come up is that there was an election and a new President and Vice President elect in Gabby and Kianna. Every seat except one was filled. Once again the student body has decided to elect the most diverse student body in MCSA's history, and will hopefully continue this trend. 4 candidates for chancellor who are visiting this week and today they help a lunch and presentation. Muthu was unimpressed with today's candidate. Every candidate is giving a presentation about the issues with a liberal arts education and possible solutions. Thursday, Monday, and next Thursday are when the next candidates are visiting.

III. **Vote to Approve MRC 24-Hour Access Resolution (link)**

The MRC gives access to multicultural items, gender neutral bathrooms, there is a food shelf, and other helpful resources. Possible issues is access to people's offices on the second floor.

Motion to vote to approve: Gabby

Seconded by: Muthu
