**Celebrating a 50 year career at Morris-so far!**

*Summary: An event in honor of Jim Togeas is on April 21, 2012.*

(April 21, 2012)-In 1961, West Side Story was released as a film, the Fantastic Four first comic from Marvel Comics debuted, Catch-22 by Joseph Heller was published, and professor of chemistry Jim Togeas began his career at Morris.

To celebrate this milestone, there is an open reception from 3:30-5 p.m. in the Student Center's Oyate Hall on April 21, 2012, with a dinner at 7 p.m. at Old No. 1, downtown Morris. There will be memories and stories shared, and performances given.

Please RSVP to the dinner and view details by visiting [morris.umn.edu/alumni/togeas](http://morris.umn.edu/alumni/togeas)

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
