Campus and community invited to September Soup & Substance discussion

Summary: The event pairs a free meal with meaningful discussion, this month on Morris and the Genderqueer/Transgender Community.

(December 31, 1969)-The University of Minnesota, Morris will host its monthly Soup & Substance discussion on Thursday, September 22, 2011, from 6:30 until 8 p.m. in the Student Center's Alumni Room in Oyate Hall. The event provides an open forum for members of the campus and community to discuss issues of local, national, and international importance, particularly issues related to privilege and oppression. Soup & Substance pairs a delicious free meal with a meaningful discussion.

The September gathering will address the experiences of transgender and genderqueer people in Morris.

Hosted this month by the Queer Issues Committee, Morris PFLAG, and the Office of Community Engagement, Soup & Substance is open to all who wish to share their opinions and experiences. Everyone is welcome to join the discussion and enjoy a free meal.
