Professor Bina serves as keynote speaker at international conference

Summary: The conference held at Kocaeli University addressed crisis and development.

(November 11, 2010)-Cyrus Bina, professor of economics and management, served as keynote speaker at the second International Conference on Political Economy, “Crisis and Development,” organized by Kocaeli University in Turkey, Westminster University in England, and Silesian University in Czech Republic. The conference explored the political economy of crisis and development through political, social, global, and systematic dimensions.

Bina’s presentation addressed “Globalization, Value Theory, and Crisis.” Other conference topics included crisis, unemployment, and employment, crisis of the economics and crisis economics, social gender and crisis, crisis and development economics, and crisis and poverty.

During the conference, Bina was appointed to the Scientific Advisory of the Conference.

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
