**Free Community Meal program resumes on September 27**

*Summary: A Mexican-themed meal starts off the program that aims to connect people in the community.*

(September 23, 2010)-Morris Community Meal is continuing its tradition of increasing access to healthy food in the community by offering free, freshly prepared meals on the last Monday of each month. Sponsored this month by Conway, Deuth, and Schmiesing, a Mexican-themed meal will be served on Monday, September 27, 2010, from 5:30 until 7 p.m. at the Morris Senior Community Center located at 603 Oregon Avenue in Morris.

All members of the Stevens County community are invited to enjoy a free, hot meal and to connect with others in the community. The food is cooked at the senior center. People of all ages are welcome to come and help with the cooking and cleanup. Volunteers are needed for the September 27 meal from 6 until 9 p.m. on Sunday and from 1 until 9 p.m. on Monday, spending any amount of time convenient for them. Organizers appreciate a phone call or e-mail from anyone available to participate.

Community Meal is a collaborative program of the Office of Community Engagement, the UMM Civic Engagement Floor, and community partners. Willie's Super Valu and the Pomme de Terre Food Co-op are sustaining community members.

Organizers are seeking businesses and community organizations interested in being meal sponsors, as well as volunteer cooks. Interested community members may come to the Morris Senior Community Center between 1 and 5 p.m. on the day of the meal to help prepare the food. To get involved as a sponsor or volunteer, contact the [Office of Community Engagement](#) at 320-589-6276.

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
