Fosgate to appear in "Leverage" episode

Summary: The professor emeritus of theatre arts will appear in The Boost Job on August 1, 2010.

(July 26, 2010)-George Fosgate, professor emeritus of theatre arts, will appear in the Sunday, August 1, 2010, episode of the TNT television series "Leverage". Fosgate reports that his scene with actress Gina Bellman is "early and brief" in episode eight, The Boost Job.

In addition to Bellman, Timothy Hutton, Aldis Hodge, Christian Kane, and Beth Riefsgraf star in the TNT hit. Playing "modern-day Robin Hoods," the team of former professional thieves creates intricate and sophisticated cons to reverse the outcome of the behavior of dishonest corporate and governmental officials taking advantage of ordinary citizens.

Fosgate retired in 1995 after 32 years of teaching speech and theatre arts. He and wife Pat live near Portland, Oregon, where George continues to work as an actor performing in theatre, television, movies, and industrial video productions. A scholarship has been established in his name to encourage and reward Morris theatre majors.

The entire The Boost Job episode may be viewed [online](#) following the first airing.

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
