Van Gooch is Science Museum's Scientist on the Spot

Summary: Professor of Biology Van Gooch is a Scientist on the Spot on the Science Museum of Minnesota's online ask-the-scientist feature, Science Buzz.

(January 21, 2009)-Professor of Biology Van Gooch is a Scientist on the Spot on the Science Museum of Minnesota's online ask-the-scientist feature, [Science Buzz](#). Gooch will answer questions related to his research that are posted to the site for approximately six weeks, January 23 to March 5.

As each segment of Science Buzz concludes, the segment is archived on the site and available for review, but not for additional questions.

Past Scientists on the Spot from Morris were Campus Sustainability Coordinator Troy Goodnough and former head of the West Central Research and Outreach Center Greg Cuomo.

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
