Cougars in first-ever UMAC championship game this Friday

Summary: The Cougar football team will play in their first-ever Upper Midwest Athletic Conference (UMAC) championship game this Friday, Oct. 27, in the Hubert H. Humphrey Metrodome in Minneapolis. UMM will meet Rockford College in an 8 p.m. game.

(October 24, 2006)-The University of Minnesota, Morris Cougar football team will play in their first-ever Upper Midwest Athletic Conference (UMAC) championship game this Friday, Oct. 27, in the Hubert H. Humphrey Metrodome in Minneapolis. UMM will meet Rockford College in an 8 p.m. game.

The Cougars won the UMAC North Division title last Saturday with a 29-18 win over Crown College. The Cougars, now 6-2 overall with two games remaining in the season, have won six games in succession, a record and season that assures them their first winning season since 1989.

A pre-game reception, hosted by the UMM Alumni Association, will be held at the Metrodome starting at 6:30 p.m. The reception will be located at Section 206-207 on the upper concourse near Gate B. All seating for the game will be on the lower concourse in Sections 107-111.

Plans are underway to send a fan bus to the game. The Office of Student Activities has hired a bus to take students, staff, faculty and community members from campus to the dome and back. The cost of this trip is only \$5 for students and \$10 for faculty, staff and community. Cost covers only the bus transportation. Tickets for the game can be purchased at the door of the Metrodome. The bus will depart from in front of the Multi-Ethnic Resource Center at 4 p.m. Friday, Oct. 27, and will return to campus following the game. Sign up the Office of Student Activities, limit one ticket per student I.D. For more information and updates regarding bus transportation contact Student Activities, (320) 589-6080.

For more information about the UMAC Championship game, tickets, parking, etc., visit the [UMAC Web site](#) .

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
