**Morris campus part of U exhibit at State Fair**

*Summary:*

(August 4, 2005)-If you're planning a Labor Day weekend trip to the Minnesota State Fair, stop by the University of Minnesota, Morris booth, part of the all-University of Minnesota exhibit. The exhibit, which will include a wind turbine display, along with displays from all campuses of the U, will be located in the U of M exhibit building on Dan Patch Avenue.

UMM students, alumni, staff and faculty will staff the exhibit Saturday-Monday, Sept. 3-5. The U exhibit will be on display during the entire run of the State Fair, Aug. 25-Sept. 5.

UM-Morris Day at the Fair is Monday, Sept. 5. The UMM Jazz Combo, Funky Gumbo, will entertain on the U stage in front of the exhibit building, from 10 a.m.-3 p.m. that day. Sharing the stage will be Mike Reese from the West Central Research and Outreach Center. Reese will talk about the WCROC wind turbine and renewable energy efforts at Morris.

So, wear maroon and gold if you have it, and stop by and say "hi" at the University of Minnesota exhibit during the State Fair.

Through personal and academic discovery, the University of Minnesota, Morris provides opportunities for students to grow intellectually, engage in community, experience environmental stewardship and celebrate diversity. A renewable and sustainable educational experience, Morris prepares graduates for careers, for advanced degrees, for lifelong learning, for work world flexibility in the future, and for global citizenship.
