UMM hosts ACM Programming Contest

Summary: Declarative Non-statement, placed first at the UMM site and 22nd in the region during the annual ACM International Collegiate Programming Contest held November 5 at UMM.

(November 17, 2005)-The University of Minnesota, Morris team, Declarative Non-statement, placed first at the UMM site and 22nd in the region during the annual Association for Computing Machinery (ACM) International Collegiate Programming Contest held November 5 at UMM. The team, comprised of Matthew Carlson, Nate Fortuna, and Scott Lembcke, was followed closely by another UMM team, Leaf on the Wind, comprised of Daniel Harms, Matthew Justin, and Victor Balling, who placed 23rd in the region.

UMM's computer science discipline hosted nine programming teams from Minnesota, North Dakota, and South Dakota. UMM is one of 16 sites in the North Central North America region, with over 180 teams competing in the regional competition.
