NOTICE TO COLLEGE BOUND STUDENTS

Applications to take the American College tests are to be made by or before April 1st. This is the last test that will be given under the state plan for students going to college next fall. This test is required for admission to Minnesota colleges for students who have not had one full year of successful college work behind them.

Hence, all students thinking about going to college who are not classified as sophomores or above are asked to make application immediately with the high school principal nearest them to take the test.

The American College Test (ACT) will be administered in seven testing centers in Minnesota on Saturday, April 23rd. Students will gather at 8:45 a.m. in these centers to fill out personal data, and the three hour test will begin at 9:00 on this date.
