FIRST BOOK FOR UMM LIBRARY

The History of Big Stone County, by Mrs. Walter Wulff of Chokio, Minnesota, becomes the first book in the collegiate library in the University of Minnesota, Morris. The book was presented in the name of the Walter Wulff family by the author. Mrs. Wulff is the daughter of Former Representative William Sorenson of Graceville, who for many years worked for the cause of higher education in Western Minnesota as a legislator and as a citizen of Western Minnesota.

It is appropriate that the first book in the new collegiate library be about our heritage in Western Minnesota.
