For Immediate Release

UMM PRE-REGISTRATION TO START AUGUST 3

All students presently accepted for admission to the University of Minnesota, Morris will participate in a one day pre-registration which begins August 3rd. They will spend one day on campus in groups of 20 where they will participate in group discussions, testing, as well as to become acquainted with some of their fellow students and develop attitudes toward college life.

Each student will also plan his or her program for the fall quarter. While it is stressed that this is the start of activity on the University of Minnesota, Morris campus, it does not imply that it is too late to make application for admission for this fall. It is an indication, however, that the summer is almost gone and that students interested in attending college should soon make final plans.
