UMM TYMPANI ARRIVES

The new tympani of the University of Minnesota, Morris music department arrived last week after being eagerly awaited for many weeks by UMM assistant professor of music, Ralph Williams, and his students.

Morris area residents have an interest in the new tympani for it was the proceeds of the UMM music department's first concert February 28 which were used to purchase the instruments.

The tympani will first be heard on May 9 at the final concert of the University Artist Course series.
