UMN Morris last received reaffirmation of accreditation in 2010. The campus has been continually accredited since 1970.

About the Higher Learning Commission

The Higher Learning Commission is recognized by the U.S. Department of Education to accredit degree-granting colleges and universities. Institutions are evaluated against a set of standards they must meet to receive or maintain accredited status. The process for reaffirmation of accreditation includes a long-term self-study and site visit by a peer-review team. To learn more, visit morris.umn.edu/about/accreditation.
