HOWARD STENSRUD JOINS UMM FACULTY

Howard L. Stensrud has been appointed instructor in geography and geology at the University of Minnesota, Morris according to Rodney A. Briggs, Dean.

A native of Minnesota, Mr. Stensrud attended Augsburg College, Minneapolis, and received his bachelor of arts degree from the University of Minnesota. Since then he has attended the University of Wyoming, Laramie, completing work on the master of arts degree.

Mr. Stensrud has served as geologist in Salt Lake City, Utah, as hydrologic field assistant for the U. S. Geological Survey, and as field geologist for the Wyoming Geological Survey as well as graduate assistant at the University of Wyoming.

The appointment of Mr. Stensrud, who is married and has one child, is subject to approval of the University of Minnesota Board of Regents.
