MORRIS (12/4/75) -- Dr. Joseph Latterell, associate professor of analytical chemistry at the University of Minnesota, Morris, will address science classes at Appleton High School next Friday (12/12).

Dr. Latterell is speaking at the invitation of Appleton High chemistry teacher John Radick, a 1969 graduate of UMM with a master's from Purdue University in 1972.

Latterell will address classes in chemistry, physics and biology on the topic, "Sewage Sludge Application to Agriculture."
