MORRIS (3/31/76) -- Dan Cameron, son of Mr. and Mrs. Emmet Cameron of Clontarf has been accepted into medical school at the University of Minnesota, Twin Cities.

Cameron, who will graduate from the University of Minnesota, Morris this spring with a major in chemistry and minors in physics and biology, plans to enter medical school after spending a year of study and travel.

At UMM, Cameron is active in student government, serving as Morris Campus Student Association President. He serves on numerous campus committees and was recently elected to the Higher Education Coordinating Advisory Board and an alternate to the newly formed National Association of Students in State Colleges and Universities.

In addition to his involvement in many facets of campus government, Cameron is interested in Spanish and studio arts.

He is a graduate of Benson Senior High School.

EDITOR'S NOTE

University of Minnesota President C.Peter Magrath will be on the Morris campus Wednesday, March 31, in the conduct of regular ongoing University business. He has, however, agreed to meet with the area news media at 5p.m. in the Sunwood Inn in Morris to respond to any questions you might have. The news conference has no general theme, and President Magrath will be open to any inquiries you might have. It probably will be in the Cougar Room in the Sunwood, but the exact site has not yet been determined.

See you there.
