The Board of Regents of THE UNIVERSITY OF MINNESOTA

In Grateful Appreciation

To

The West Central Educational Development Association

WHEREAS, the West Central Educational Development Association was created by the citizens of Western Minnesota as an expression of their enthusiasm for, and their faith in, higher education; and

WHEREAS, it is the instrument through which generous contributions have been made in honor of C. A. Gay and F. W. Behmler, making possible the purchase of equipment and books for the University of Minnesota, Morris, Library; and

WHEREAS, it serves as a magnificent tribute to the desire of the citizens of Western Minnesota to leave a legacy of wisdom and opportunity to their youth; now

THEREFORE BE IT RESOLVED, that the Board of Regents, by this formal action, expresses to the West Central Educational Development Association, and to each of its contributors, its gratitude and high esteem for their spirited and dedicated action in behalf of their community, their university, and their state.
