Vice Chancellor for Academic Affairs and Dean (A3)

The position of Vice-Chancellor for Academic Affairs did not exist early on. Rodney Briggs upon the founding of UMM was the campus' chief executive officer, and he also performed the functions of the academic dean. According to the catalog for the 1961-62 year there was an Administrative Committee in place, and the Committee members, it would seem, collectively performed roles later formally assigned to the Dean. When Briggs resigned in 1969 John Q. Imholte assumed the position of "Academic Dean and Acting Provost." Two years later Gordon Bopp was named "Academic Dean." Bopp remained in that role until the 1979-81 academic year at which time Elizabeth (Bettina) Blake was named to replace Bopp. Blake resigned in 1995 and was replaced by Samuel Schuman. Meanwhile, the title changed in the 1987-1989 academic year, and the office was renamed "Vice Chancellor of Academic Affairs and Dean." When Schuman became acting Chancellor in 1998 he appointed a series of so-called "Baby Deans" to administer the functions of that office. John Schwaller was then named Dean in 2002, and he was succeeded by Judith Kuechle on an interim basis in 2006 and Roland Guyotte in 2007. Cheryl Contant followed Guyotte in 2008.

Budget (A3-A)

This record series reflects the academic dean's role in establishing and administering UMM's budget from the early 1960s into the 1990s. Materials range from ordinary journal vouchers and office forms to memoranda and correspondence, often addressed to state legislators and to Twin City administrators. In general, these records consist of computer printouts, correspondence, memoranda, notes, office forms, reports, requests, schedules and vouchers. Of special interest: the file labeled "Chancellor's Five-Year Plan/Biennial Budget request, 1989-91"; the file entitled "UMM Grants Development" that documents the attempt in 1981-82 to rework and systemize the grant-writing process; the legislative building requests for various years; the two files titled "Planning," one from 1979-80 and the other from 1990-91; the various files having to do with seed money for research and scholarship; the folder documenting the Title III grant application from 1982-83; and the various "402" files from 1972-1992 ("402" funds were unassigned instructional monies), many of which contain documents pertaining to larger budget concerns regarding salaries and for some years retrenchment.

Correspondents include: Wilbert Ahern, Bettina Blake, Gordon Bopp, Truman Driggs, C. Fred Farrell, John Q. Imholte, David Johnson, Tom Mahoney, Edward Rewolinski, William Scarborough, Samuel Schuman, W.D. Spring and Ted Underwood
