Chancellor's Papers (A1)

The Chancellor's Papers comprise a large record group and cover much of the period through the administration of Samuel Schuman. The materials are further divided into a number of discreet record series: Regents Materials, Budget, Campus Buildings, University Committees, UMM Committees, Syllabi, Enrollment, Financial Aid, Legislative Relations, All-University Senate, Student Organizations, Legal and Artifacts, and Miscellaneous and Correspondence. The latter record series proved to be unwieldy and in 2010 was reorganized into 22 record sub-series. These materials provide much of the administrative history of the campus.

Upon the establishment of UMM in 1960, Rodney Briggs, who had been hired to serve as superintendent of the West Central School of Agriculture and oversee the transition to the college program, was named Dean. Briggs served in this position until 1969 at which time John Q. Imholte was named Provost. In 1985 the title of the office was changed to Chancellor, and Imholte continued in that role until his return to the classroom in 1990. David Johnson replaced Imholte, and he, in turn, was succeeded by Samuel Schuman, originally in an interim role, in 1998. Jacqueline Johnson followed Schuman in 2006.

All-University Relations (A1-M)

These materials are from the All University Senate and from various All University Senate committees. Materials include memoranda, meeting notices, agendas, announcements, dockets and minutes, reports, rosters and materials related to Senate and Senate committee elections. Some materials refer to constitutional issues, and the record series includes a published copy of "University Senate Constitution, Bylaws, and Rules." Of special interest: the file on "Reorganization of the Senate" from 1967-68; the file titled, "Senate" from 1972-73 containing materials on tenure revision; the 1979-80 "Report of the Senate Consultative Committee's Subcommittee on Senate Reorganization," the report entitled "Fair Tuition: Policy for the 1981-83 Biennium," the report, "Toward 1985 and Beyond," authored by the Senate Committee on Resources and Planning, June 1971 and the response in memo-form written by Stephen Granger; and Judicial Committee case abstracts.

Correspondents include: Bert Ahern, Russell Du Bois, Stephen Granger, John Q. Imholte, David Johnson, Gordon Bopp, and Theodore Uehling Jr.
